Summary

BCA graduate and aspiring MERN Stack Developer with hands-on knowledge of React.js, JavaScript, Node.js, Express.js, MongoDB, and MySQL. Experienced in developing responsive, user-friendly web applications and integrating front-end and back-end technologies. Strong problem-solving and logical thinking skills with a passion for learning new technologies and building scalable software solutions. Seeking an entry-level Software Developer or MERN Stack Developer role to apply my technical skills, contribute to real-world projects, and grow professionally.

Education

Bachelor of Computer Application (BCA) -

Noble Women's College (2022 – 2025)

INTERNSHIP EXPERIENCE
